.....
YES,
I LOVE YOU, TOO.

After work...

Moe and I live in opposite directions, but...
today we took a little detour
to walk by the river banks together.

The cycling road by the river
though crowded.
was dark.
The light reflecting on the water surface
glistened by our feet.
It's like we're in a dream.

Are they people, or shadows?
Is it light, or the water surface?
The only thing I know for certain
is this feeling rising up from the darkness.

Of course,

that's not something I knew.

I...

just—

BEAUTIFUL.
Just like a dream.
What I know for sure
is this feeling...

flowing from the palm of my hand that I hold her with.
